# NEW ART – NEW ARTISTS:

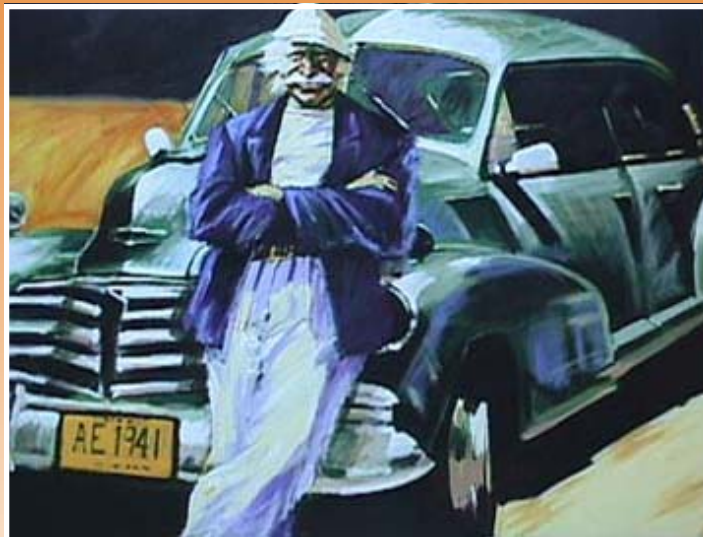

## NEW WORK BY ALDO LOUNGO

From his acrylics to his fine art prints, all of Aldo Luongo's pieces embody the same sense of fluidity and intensity, the result of a true artist engaged in the passionate process of creation. His bold, impressionistic

Story by the Light by Aldo Loungo

style has often been referred to as "Romance on Canvas".

Two Old Timers by Aldo Loungo

Central to all of Luongo's paintings is the balance between memory and hope, sorrow and humor, freedom and control. These dynamics are clearly apparent in his figurative works, especially those portraying 'The Hawk', an archetypal character based on the memory of his father and the discovery of his future self. Aldo Luongo's artwork captures more than just the viewers gaze...

it echoes the experiences of life lived to the fullest.

This internationally known artist is well loved and sought after by collectors everywhere. His figure, the Hawk is depicted in two of the pieces Pure Gallery has acquired as well as a female figure that has appeared in some earlier pieces.
